

Come Back with Confidence

Stand Up Desk Store is committed to providing solutions for a post-pandemic workplace. From sneeze guards, to mobile power, to flexible furniture options that are easy to clean, trust SUDS to help make your transition smooth.

Set Your Team Up for Success

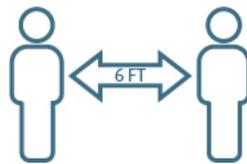

Follow these steps for a successful transition back to work.

Implement a return-to-work transition plan and give your employees time to adjust.

Create a sanitation station well-stocked with masks, wipes, and hand sanitizer.

Increase space between workstations to a minimum of 6 feet apart.

Institute and enforce a face-mask policy based on CDC guidelines.

Establish separation between workspaces with desk dividers and room partitions.

Limit in-person meetings.

Works with Your Existing Furniture

Replacing office furniture can be cost prohibitive. Stand Up Desk Store acrylic sneeze guards effortlessly install onto existing desks, tables, cubicle walls, and more, saving time, effort, and cost.

Easy to Clean

Practically all SUDS products can be disinfected with a solution of 70% alcohol. Our solid wood standing desktops can be disinfected with a wood-specific cleaning product from any reputable brand. Our acrylic panels can be cleaned using a solution of mild dish soap and a microfiber cloth.

Affordable

SUDS is known for high-quality products at prices that are far lower than the competition. Best of all, our sales team can offer bulk discounts for higher volume orders, making a great price even greater.

Mobile & Flexible

Stand Up Desk Store products are designed with modern workplaces in mind. For example, most of our furniture offerings come equipped with locking casters for mobility while our space divider panels are lightweight and offer tool-free attachment and/or a freestanding design. This means you can easily configure and reconfigure your workspaces to preserve productivity while fostering safe social distancing.

In Stock & Ready-to-Ship

While many competitors have been plagued by back-orders and low inventory, our warehouse is typically shipping within 48 business hours from the time you make a purchase. Orders placed in the morning often ship the same day.
